## Garden/Landscape

Product	Description	*Retail price/unit	Quantity	Total \$	**Current availability
<b>Corokia Frosted Chocolate - Bronze Corokia</b>	A lush, large-leaved chocolate-brown shrub with contrasting red berries. Colour intensifies in winter. Popular hedging option for coastal and urban areas. Evergreen. Grows 3mx2m at full maturity.	PB5 \$7.50/Plant			PB5 - 218 Plants
<b>Corokia - macrocarpa</b>	Fast growing shrub/hedge with pointed greyish leaves that are white underneath inhabiting the Chatham Islands. Plant in a sunny position in average type soils, tolerates dry conditions and may be grown in coastal locations. Grows to approximately 5.5m x 2m.	PB5 \$7.50/plant			PB5 - 331 Plants
<b>Corokia - Geenty's Green</b>	A very popular <i>Corokia</i> hybrid with large, light olive-green leaves and an upright form. Yellow flowers in spring followed by red berries in autumn add to its year-round interest. Great as a clipped hedge. Needs full sun and good drainage, Very hardy. Grows 2mx1m at maturity.	PB3 \$7.50/Plant			PB3 - 17 Plants
<b>Corokia - Silver Ghost</b>	A hardy, evergreen native with yellow, star-shaped flowers in spring, followed by small red berries in autumn. Silver-green foliage. Ideal for growing to form hedges or screens.	PB3 \$7.50/Plant			PB3 - 5 Plants
<b>Corokia - Emerald and Jade</b>	An evergreen NZ native shrub with soft green foliage set on silver grey twisted branches. Late spring to summer small yellow stary flowers appear followed by small yellow/orange berries in autumn. A very hardy shrub which can be grown in any NZ soil. It thrives well in coastal conditions and is very useful to shelter for strong winds. Grows up to 2mx1m.	PB3 \$7.50/Plant			PB3 - 73 Plants
<b>Corokia - Bronze King</b>	Upright shrub with dark green and bronze foliage, deepening in winter. Excellent as a hedge or specimen shrub in coastal, dry or frosty areas. Yellow stary flowers in summer and abundant red berries in autumn. Slender and compact. Hardier than C. 'Frosted Chocolate'. Grows up to 2mx2m	PB3 \$7.50/Plant			PB3 - 72 Plants

<b>Teucrium fruticans - Silver Germander</b>	Fast-growing, spreading, drought-tolerant grey shrub. Attractive hedge with pale-blue bee-attracting flowers. Looks great as a trimmed shrub, low shelter or topiary. Good on coastal sites. Needs trimming regularly. Evergreen. Hardy. Growing up to 3mx2m.	PB5 \$7.50/Plant			PB5 - 126 Plants
<b>Teucrium fruticans - Standards</b>	Fast-growing, spreading, drought-tolerant grey shrub. Attractive hedge with pale-blue bee-attracting flowers. Looks great as a trimmed shrub, low shelter or topiary. Good on coastal sites. Needs trimming regularly. Evergreen. Hardy.	PB5 \$15/Plant			PB5 - 6 Plants
<b>Teucrium fruticans - Balls</b>	Fast-growing, spreading, drought-tolerant grey shrub. Attractive hedge with pale-blue bee-attracting flowers. Looks great as a trimmed shrub, low shelter or topiary. Good on coastal sites. Needs trimming regularly. Evergreen. Hardy.	PB5 \$7.50/Plant			PB5- 10 Plants
<b>Griselinia Gecko Green</b>	A newer variety of Griselinia similar to Kāpuka or New Zealand Broadleaf, it's a compact shrub with dense foliage. Its glossy green leaves are smaller make for a neater plant which is perfect for hedging. Full sun with part Shade, Frost & Wind hardy. Typically growing up to 3mx3m.	PB5 \$7.50/Plant			PB5 - 103 Plants (+ 154 Not ready for sale yet)
<b>Euonymus Emerald Gem - Buxus</b>	A densely growing foliage shrub with glossy green leaves, neat and compact for all seasons. Easy to grow and hardy. Suitable for tubs, dwarf hedging, clipped for topiary or rockeries. A great alternative to buxus as a small hedge. Sun or part shade. Evergreen. Frost hardy and grows to 0.5m x 0.5m	PB5 \$7.50/Plant			PB5 - 164 Plants
<b>Buxus microphylla</b>	Known as the box hedge form with larger, glossier, more rounded leaves. Greater cold tolerance and resistance to buxus blight than <i>Buxus sempervirens</i> . A tough, relatively fast-growing box hedging selection, usually tightly clipped into formal low hedging or balls. Evergreen. Frost hardy. Grows to 60cm x 60cm.	PB3 \$7.50/Plant			PB3 - 51 Plants
<b>Photinia - Red Robin</b>	A New Zealand-bred cultivar of this reliable hedging plant. Features bright red growth tips and small white flowers in Spring. Prefers well-drained soil, but is tolerant of most other conditions, Hardy and grows up to 4m x 3m.	PB5 \$7.50/Plant			PB5 - 30 Plants (not yet ready for sale)
<b>Choisya Ternata - Mexican Orange Blossom</b>	Compact rounded bush with a distinctive fragrance. Attractive deep-green leaves with clusters of white flowers. Fantastic for hedging or as a gap-filler in the garden. Hardy and grows 2m x 2m.	PB5 \$7.50/Plant			PB5 - 21 Plants
<b>Loropetalum - Blonde N Gorgeous</b>	Olive-green foliage year-round, highlighted by copper growth tips and a showy display of crisp, white-tasselled flowers during spring and summer. Grows in moist soils and up to 2m x 1.5m	PB5 \$7.50/Plant			PB5 - 7 Plants
<b>Hebe Black Panther</b>	The leaves are large and almost black on the undersides. Large, deep-burgundy flowers are produced in spring. Plant in the full sun to part shade with free-draining soil. Protect from hard frosts. Grows up to approx 1m.	PB5 \$7.50/Plant			SOLD OUT

<b>Hebe - Wiri Mist</b>	The dense mound of pretty green foliage is smothered in a profusion of white flowers in late spring. Grows in full sun, Coastal and average well drained soil. Evergreen growing to approx. 50 x 80cms. Ideal for rockeries, sunny banks and borders.	PB5 \$7.50/Plant			PB5 - 10 Plants
<b>Coprosma kirkii</b>	A dense, vigorous, sprawling shrub with small, glossy mid-green leaves. Used extensively for bank plantings and on coastal sites. Makes an attractive massed groundcover or low clipped hedge. Hardy. Grows 50cm x 50cm	PB5 \$7.50/Plant			PB5 - 42 Plants
<b>Hydrangea macrophylla White</b>	Rich creamy flowers open fully and retain a hint of cream. Fairly sun tolerant for a white mophead and grows 1.5m in height.	PB3 \$7.50/Plant			PB3 - 12 Plants
<b>Hydrangea macrophylla Red</b>	Neat round flower heads that try to stay red even in acid conditions. In Alkaline soils flowers are a rich vivid crimson. Good cut flower. 1.3m. Mophead.	PB3 \$7.50/Plant			PB3 - 12 Plants
<b>Hydrangea quercifolia - Oakleaf Hydranga</b>	Creamy-white flowers for a lengthy period in late spring and summer. Grows best in moist, well-drained soil in part shade. Exceptional crimson autumn foliage colour. Deciduous. Very cold hardy. Grows up to approx. 1.2m.	PB3 \$7.50/Plant			PB3 - 14 Plants
<b>Rosemary Tuscan Blue</b>	A tall and stately variety of Rosemary that will reach up to 1m tall. It has broad, fragrant leaves. Full sun and drought tolerant.	PB5 \$7.50/Plant			PB5 - 20 Plants
<b>Rosemary Prostratus</b>	Prostrate Rosemary great for edging, hanging over wall and draping down pots. Grows to around 15cm high with light blue flowers. Full sun and drought tolerant.	Tube \$7.50/Plant			Tube - 10 Plants
<b>Thyme -(pizza)</b>	Thyme Pizza - A combination thyme and oregano flavours in one plant. Grows 30cm High x 40cm Wide.	PB5 \$7.50/Plant			PB5 - 4 Plants
<b>Lavandula dentata - French Lavender</b>	A mass of fragrant lavender-blue flower spikes during spring on aromatic grey-green foliage. Prune after flowering to retain vigour and encourage repeat flowering. Full sun, Well drained soil and Frost hardy. Grows up to a height to 1m	PB5 \$7.50/Plant			PB5 - 42 Plants

<p><b>Grosso Lavender</b></p>	<p>Grosso' is the preferred lavender for cutting and perfect for edging a herb garden or perennial border in a sunny spot. It is also a major source of French lavender oil. Loves a hot sunny position and does not require alot of water. Flowers are a bright purple colour and flower stems are long ideal for picking to dry. Grows up to 1m when in flower</p>	<p>PB5 \$7.50/Plant</p>			<p>PB5 - 24 Plants</p>
<p><b>Stachys Byzantina - Lambs Ears</b></p>	<p>Hardy, evergreen, mat forming perennial and Frost hardy. Grown for its attractive thick, silvery, woolly leaves. Mauve-pink flower spikes appear in summer. Tolerant of some shade, coastal sites and wet and dry soil conditions. Tidy foliage after winter. Grows to 60cm x 20cm.</p>	<p>PB5 \$7.50/Plant</p>			<p>PB5 - 18 Plants</p>
<p><b>Ajuga Jungle Beauty</b></p>	<p>Bold foliage of a rich green that tends to be tinged purple at the margins. Small thick blue-purple flower spikes in spring. An amazing plant that stands full sun without scorching or full shade. Grows well in free draining soil, but also tolerant of water logged soils and frost hardy. Grows 40cm x 15cm</p>	<p>PB5 \$7.50/Plant</p>			<p>PB5 - 25 Plants</p>
